A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 60, Number 4 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | 10c per copy | Thursday, December 25, 1952

SANTA'S HELPERS. The Campbell Post Office staff busily process the thousands of greetings to and from Campbell residents in the busiest Christmas season in the history of the local mail center. Postmaster Ira Grim and assistant Postmaster Ray Wood report that business receipts exceed $8,000 more than last year with $1,000 increase over last year's Christmas volume. Between 25,000 and 30,000 pieces of first class mail and post cards was the daily average during the holiday season, not counting a record number of Christmas parcels, the postal officials said.

"The Spirit of Christmas"

By Clara Beebe Baldwin

The good Lord softens the heart of man
At Christmas time, for a happy span;
The wide world forgets all cold reason,
Glorified by Love's own perfect season.
The rules we live by change
To new ideas, sweet and strange.
Cheery bells, from high church steeples,
Sound joyous refrains to all of the peoples
Of a happy season, with never a tear,
To all of mankind gathered here.
Then there comes to the listening ear
The sound of a sleigh and tiny hoofs
Dashing and clattering over the roofs
Of their hearts; Now their eyes see
What was hidden by practicality
The beauty of a radiant tree
The starlit Holy Night
Soft glow of candle light —
New faith in many shining faces
With joy ruling in some strange places
Instead of getting—People are Giving
Is that the secret of happy living?
Giving themselves, giving their treasure,
No thought of profit, no thought of measure,
Giving from wealth—giving from need,
Giving with no thought of color, nor creed.
Living as did the Saviour of old,
By the Golden Rule, not the rule of gold.

BOGUS CHECK PASSERS APPREHENDED; FOR POSITIVE IDENTIFICATION, GET THUMB PRINTS, SAY OFFICERS

Two bogus check passers who nipped Campbell merchants to the tune of $289.00 over the past few weeks were apprehended recently by the Campbell Police Department.

Checks for $85 and $65 were passed in local bars November 26 and 28. A local appliance store cashed another bad check for $79 November 29, and on December 3 a different individual cashed a "rubber " check for $30 at a local grocery store. The last bogus check for $30 was cashed at a local liquor store.

All checks cashed were payroll checks. Names of check passers and of concerns which cashed them were requested withheld by the police department pending fulfillment of a promise by the passers to make restitution.

Campbell police officers Louis Doolittle and Robert J. Locke remind local merchants to require positive identification of their endorsers. A simple way to do this, officers said, is for merchants to keep a small ink pad near their cash registers and to require a thumb print along with a signature on all checks to be cashed.

Persons cashing checks in good faith won't mind the slight inconvenience, officers reminded. The bad check passer will refuse to thus identify himself.

Merchants To Give Royal Welcome To City's First Baby Of New Year

The first issue of the Campbell Press in the new year, will carry the name of the first baby born to Campbell Parents in 1953. Not only will the first baby start his life in Campbell in a blaze of publicity, but Campbell merchants have agreed to make it a practical welcome as well. From Benson's Cleaners a $5 cleaning certificate will be awarded to the proud parents.

Helen's Juvenile Shop will offer a car bed for baby's comfort. For those middle of the night feedings, Leonard's Campbell Furniture and Appliance Company will donate a bedroom clock. A beautiful shortie gown for baby's mother will be a gift from Rachel's. Campbell Hardware will give a 5$ gift certificate and will double it in case of twins. Flowers will be forthcoming from Campbell Floral Shop.

Even the Family car will get a treat from Schoenberger Shell service with a free fill up of gas and a lubrication-front wheel pack from Lee's Signal Service.

When it comes time for solid foods for the new arrival, Field's Grocery Store will be ready with a case of Heinz baby food. Clothing will come from Dolly Ann Shop and from Campbell Variety store.

Baby's milk will be kept clean with a bottle sterilizer from Accardi's. Campbell Stationery will donate a box of announcement cards. "Sanimurals" of story book characters will help decorate baby's nursery—a gift of Strong Paint Co.

Gifts will be displayed in the windows of the Campbell Water Company.

EDITORIAL

REJUVENATION NEEDED FOR LOCAL CHAMBER OF COMMERCE

To keep the record straight and to answer a few of the questions arising from last week's editorial appearing in the Campbell Press entitled, "Campbell Merchants Help Decorate Community Despite Apathetic C of C," the writer would like to state that this subsequent editorial is in no way a retraction of anything implied or stated in last week's issue of The Campbell Press.

We are fortunate to number many of the members of directors of the Chamber of Commerce as our close personal friends, and we hold no one person, or small group of persons responsible for the apparent apathy of the Chamber — rather the fault can be traced back to the membership as a whole who elect a president and board of directors, who in turn select the secretary.

Some merchants in town adopt a defeatist attitude toward the Chamber of Commerce, with the contention that they have devoted much time and energy in the past to the chamber and complain that they cannot carry the burden alone. In a sense they are correct. However, there is one paramount fault in their reasoning. They fail to appreciate that the welfare of their individual businesses is tied in very closely with the welfare of the local Chamber of Commerce, and as the chamber increases in strength, so also does their business take on a more stable position in the community. We therefore say to those merchants who adopt the "What's the use?" attitude, that if they would again put their shoulder to the wheel and help run the Chamber, it would reflect to their advantage in their respective businesses.

Major changes are necessary to guarantee that the organization will perform the functions of a Chamber of Commerce. Those functions, as the name itself indicates, are to promote commerce and industry. An organization with such objectives would work closely with our city government on such matters as zoning, business license tax, parking and traffic control, etc. Campbell's need for such a group at this time is great, due to the fact that we have an infant city government which needs the counsel and help of such a body. There is a definite place on the city planning commission for an official representative of the local Chamber of Commerce.

It will be difficult to rejuvenate the Campbell Chamber of Commerce. It will first be necessary to find a man with sufficient fortitude and civic spirit to head the organization as president. Under his leadership it will be necessary to make many changes in policy and personnel if our organization is to take its place alongside other progressive Chambers in the county.

Dr. James Strayer Addresses San Tomas PTA

Guest speaker at the San Tomas Parent T eacher's Association meeting December 18 at the first meeting in the School Cafetorium was Dr. James H. Strayer, of the Calvary Methodist Church in San Jose. Dr. Strayer spoke on "Cultivating Spiritual Values in the Family" and brought out in his talk that PTA organizations could be an invaluable aid to the community by sending representatives into the home to establish better relationship with parents.

Another point stressed by Dr. Strayer was that all age groups should play together. "The formerly accepted theory that children should play together in their own age group for best development is now out of date," Dr. Strayer said in effect. "To adequately prepare the child for adult life, he should associate with children of all ages, in his play activities", he said.

Mrs. Ray Martin, sixth district music chairman and past president of San Tomas PTA, and Mrs. George D. Robertson, president of El Paradiso Council were present at the last meeting.

Also introduced by Mrs. Cliff Winters was Mrs. Ray Martin who sang 'Prayer Perfect".

The Mothersingers also rendered several selections accompanied by Mrs. J. E. Bruce, sixth district co-chairman of music.

GLOBE TROTTERS HOME FOR HOLIDAY; ADVENTURES GALORE

After roaming through pleasures and palaces, there's no place like Campbell, especially at Christmas time, according to Mrs. Lillian Ohlen and Mrs. Marion Paice, who recently returned to their Wedgewood Drive home after three months of globe trotting.

The Campbell ladies have most interesting tales to tell of their sojourn in England and Scotland, Switzerland and France, and their journeys across the United States. Switzerland was best of all, says Mrs. Ohlen, but it was all delightful. Scotland was bonny, in particular Edinburgh, Glasgow and Aire, the cottage where Bobby Burns was born, the lakes and Gretna Green, traditional destination of eloping couples.

A wonderful week was spent in London, where the travelers visited the Tower of London and saw the crown Jewels; St. Paul's Cathedral; Buckingham Palace, where they witnessed the changing of the Guard; Westminster Abbey, where they viewed the famed Stone of Scone, and Mrs. Ohlen stood on the tomb of her ancestor, Thomas Tedford, Scottish canal and bridge builder.

The ladies rode on the Underground, and dropped in at Selfridge's famous department store, which was already in Yuletide array.

From London they went to Penzance, in Cornwall, and were charmed by a fishing village named Mousehole. They visited with Mrs. Paice's aunt at Shoreham-by-Sea. In Brighton they were fascinated by "The Lanes" a group of narrow streets lined with tiny antique shops.

At last the tourists embarked at Southhampton, the embarkation point of the Mayflower, on the U. S. S. United States. The trip homeward was pleasant in spite of somewhat rough weather. The ship stopped at Le Havre, where 500 more passengers came aboard.

The United States arrived at New York during a dock strike, so that Mrs. Paice and Mrs. Ohlen had to handle their own baggage and were on the dock from 10 a. m. until 6 p. m. Safely ashore, they stayed at the Statler Hotel. Resuming their journey, they stopped in Washington for two days, spending Thanksgiving there. They also spent two days in New Orleans, on their southern route home, and in Los Angeles two days, taking sightseeing tours in all the cities.

Now at home with many happy memories of their tour, they conclude that they are very fortunate to live in the United States, particularly in California, and even more particularly in Campbell.

MARK PETER PERUSINA was a 7 pound, 12 ounce gift to Mr. and Mrs. DANFORD PERUSINA of Honolulu ond December 15th. He's the first born of the family. Mark's mother has been in the Islands for a year; his father has been stationed there longer. Happy grandparents are Mr. and Mrs. FRED FELLMAN of Campbell and Mr. and Mrs. M. M. PERUSINA of Los Gatos.

During the days of the year we too seldom take sufficient time to acknowledge the courtesies and friendships of those whom we know and serve.

For that reason, we are glad that Christmas comes at least once each year — it gives us an opportunity to pause and say to you, in all sincerity,

MERRY Christmas
AND A HAPPY NEW YEAR

STORIES OF HOW NAMES HELPED MAKE AMERICA GREAT
THOSE ARE SWELL POUCHES. MY SISTER HAS A HANDBAG ALMOST LIKE IT.
SAY, SON, DID YOU KNOW THAT THE GRAND-DAD OF ALL HANDBAGS WAS A POUCH?
33
LADIES OF FASHION IN THE 16TH CENTURY MADE LARGE HANDBAGS POPULAR.
I MUST HAVE A LARGER BAG MADE TO CARRY ALL THESE THINGS.
WHY NOT HAVE SMALL POUCHES FOR LITTLE THINGS INSIDE A LARGER HANDBAG?
THE "SACCUS" OR "MONEY BAG" WAS INTRODUCED BY ROMANS WHEN COINS WERE FIRST USED AS MONEY.
DO NOT WALK FAST OR FAR AHEAD WITH MY MONEY POUCH.
YES, MASTER, I WILL GUARD YOUR GOLD.
MEDIEVAL SAXON LADIES CARRIED MONEY FOR THE POOR IN SILK AND LEATHER BAGS HUNG FROM THEIR WAISTS.
I MUST GET ANOTHER PURSE TO CARRY OTHER THINGS. THIS ONE IS SO HANDY.
I'LL DECORATE MINE WITH NEEDLEWORK.
MEN WORE BAGS ATTACHED TO THEIR BELTS UNTIL THEIR COSTUMES WERE MADE WITH MORE POCKETS IN THE 17TH CENTURY.
WHEN THE TAILOR COMPLETES MY NEW CLOTHES--I WILL NOT NEED THIS BAG ANYMORE.
POCKETS OR NO POCKETS, I MUST CARRY A FASHIONABLE HANDBAG.
HANDBAG STYLES HAVE VARIED GREATLY THROUGH THE CENTURIES. IN THE 1870'S THE TINY "COIN PURSE" WAS POPULAR.
MY PURSE IS SMALL ENOUGH TO FIT IN THE PALM OF MY HAND.
I KEEP MINE IN MY PETTICOAT POCKET, BUT I REALLY WISH A LARGER POCKETBOOK WAS FASHIONABLE.
THE MODERN UNITED STATES HANDBAG INDUSTRY HAS GROWN WITH THE INCREASE IN STYLES.
OVER 50 DIFFERENT LABOR OPERATIONS ARE REQUIRED TO MAKE A SINGLE HANDBAG.
OUR CRAFTSMEN DO THEIR BEST TO MAINTAIN OUR REPUTATION FOR QUALITY.
HANDBAG DESIGNERS, IN COMPETING FOR FASHION ACCEPTANCE FOR THEIR BRANDS, STUDY STYLES OF BY-GONE AGES.
I COULD USE GREEN LEATHER IN THIS EGYPTIAN DESIGN AND CALL IT "NILE GREEN".
NO WONDER WOMEN HAVE SO MANY STYLES FROM WHICH TO CHOOSE--YOUR RESEARCH IS SO THOROUGH.
LABELS WHICH APPEAR IN MODERN LADIES' HANDBAGS ARE A GUIDE TO QUALITY WHICH WELL KNOWN COMPANIES BACK WITH THEIR REPUTATIONS.
WE HAVE A HANDBAG FOR EVERY OCCASION--MORNING, AFTERNOON AND EVENING.

Suspect Indicted For Cambrian Store Robberies In May

Frank Marino, 31, Oakland longshoreman, was indicted last week by the Santa Clara county grand jury on two counts of burglarizing Cambrian store on Los Gatos-San Jose road and Union Ave, May 16, and the Mast Appliance Shop at Morgan Hill May 12.

Marino was charged with removing $1000 worth of washers, ironers, dryers and other appliances from the Cambrian store.

District Attorney N. J. Menard said the lot was disposed of to an Oakland "Fence" but that much of it has been recovered by police.

New Court Schedule Outlined By New JP

Judge Paul W. Crawford, Justice of The Peace elect for the new combined Saratoga-Los Gatos-Campbell judicial area, announced this week that small claims cases within Saratoga would continue to be heard here.

Still tentative, Judge Crawford stated that Wednesday afternoons will be set aside each week to hear traffic cases. These will be heard in the new Los Gatos court room. He added that on Thursdays he will preside in Campbell, hearing traffic and police cases of that city.

The Judge will take the oath of his new office on January 5th at the Court House in San Jose.

"Tell him when he pays us for it, we'll put some meat on it."

A son, Kenneth Marshall Moss, was born recently to Mr. and Mrs. John Raymond Moss, 156 N. Hardy Ave., Campbell, at O'Connor Hospital.

Prior to the tournament the early arrivals kept warm playing "I Got It" and "Dare Base" on the playground.

A CHRISTMAS MESSAGE

By REV. ROBERT H. HARPER

Good News in the Bible (Christmas).

Lesson for December 19: Luke 2:1-14.

Memory Selection: Luke 2:10.

ROMAN power made necessary the journey of Joseph and Mary to Bethlehem—to "be enrolled." With no room in the inn, they went into the stable, where Jesus was born and laid in a manger. The same night an angel appeared unto the shepherds, and was soon joined by the heavenly host.

The passing of 2000 years enables us the better to understand that wondrous night in Bethlehem. We can now see that, though Rome and other empires have perished, the empire of Christ lives on. Jesus came to establish a kingdom in the hearts of men.

With the coming of Jesus the hope of peace was born. Its realization seems long delayed. Which will prove the greater—the atomic bomb or Jesus Christ? The disturbed condition of the world is a challenge to faith. Let our faith in the Prince of Peace be strengthened. May the latest Christmas season make us sure of peace in our own hearts. Let us think peace, pray for peace, and help to bring peace and joy to others.

Above all, as we celebrate Christmas, may our chief thought be of Jesus. He is the hope of a warless world. The genesis of peace is in the hearts of men. As war begins in men's hearts, so peace can begin there. In this latest Christmas season, let us dedicate ourselves anew to spread the good news of Jesus and his redeeming love. And to all—the old greeting, **A MERRY CHRISTMAS AND A HAPPY NEW YEAR.**

Teachers of Cypress school entertained teachers from Moorpark last Wednesday evening at a Christmas celebration party.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

On many Washington calendars, January 20th is ringed with some uncertainty.

* * *

The enigma is not so much Eisenhower, but Eisenhower's friends. Some of his appointees are little known, creating a feeling of uncertainty.

* * *

C. W. Harder

For example, while the General was in Korea, exposed to danger, a political note was introduced in thegovernment anti-trust suit against DuPont.

* * *

Joseph P. Savage, an attorney, appeared in the Chicago Federal Court, asserting he represented the stockholders, told the court that the incoming Attorney General, Herbert Brownell might call off the suit.

* * *

Brownell has said he intends to review all cases pending.

* * *

The government through the Justice-Department started suit against DuPont in 1949, alleging the $5 billion empire composed of the DuPont Chemical Company with a 23% ownership of General Motors stock, and 18% interest in U. S. Rubber, has conspired to restrain trade.

* * *

Career men in the Justice Department headed by W. L. Hotchkiss spent three years preparing the government's case.

* * *

Usually, Justice Department career men do not force a case to trial unless they have ample evidence to justify a trial.

* * *

But apparent confidence expressed in Federal Court that the new Attorney General will squash the trial causes grave concern over future administration of the anti-trust laws.

* * *

Naturally, until all the evidence is in, and a decision reached, no one can say whether or not the DuPont empire is guilty as charged. But opinion prevails that now is the time to decide the issue in open court, without political interference.

* * *

Whether or not Brownell stops the trial on taking office on January 20 remains to be seen. But the fact that such a possibility is voiced in a trial court highlights the drive started by the National Federation of Independent Business to remove anti-trust enforcement from politics.

* * *

In a recent nationwide poll of independent businessmen, 78% voted for legislation to make appointment of an assistant U. S. Attorney in charge of the anti-trust division permanent, thus removing him from political pressure. In the past ten years, five have been removed from this post.

* * *

Here is the issue.

* * *

Briefly, it is desired that enforcement of the anti-trust laws be put on the same permanent basis as other Federal laws are enforced by J. Edgar Hoover, head of the FBI.

* * *

There will be a great deal of opposition to this plan.

* * *

Concerns found meriting a trial under the anti-trust laws usually have ample means and influence. The easiest way to win is to secure dismissal.

* * *

The plan of independent businessmen is quite plain.

* * *

It's merely a matter of making it impossible to "fix" a traffic ticket on a high level.

DISTRICTS SEEK JOINT SEWER DISPOSAL PLANT

City Engineer Mark Thomas and company have been engaged by Sanitation District Four, covering the Campbell area, and three adjacent districts in an attempt to solve disposal problems of the West Valley area.

Firm will make a survey of the possibilities of combining forces to build a joint treatment plant, for cities of San Jose and Santa Clara along with Sanitation districts two, four, eight and eleven; City of Santa Clara in conjunction with the combined sanitation districts and the four sanitation districts alone.

Company was also directed to determine the cost of building such a treatment plant and proportionate cost which each city and district would have to pay. The survey will also include the location of such proposed plant and the cost of building trunk lines from the respective districts and cities.

District four is at present using the facilities of the City of San Jose but directors have expressed the fear that if area population growth continues along present lines, the existing agreement for use of San Jose facilities will not provide adequate service of the area.

January Planning Time For Western Gardener

Midwinter need not be an idle time for gardeners. Now when the skeleton of the garden stands out clearly, it would profit the conscientious gardner to make a sketch of it—put in permanent improvements, figure needed changes, decide where to add more color.

Wise gardeners tie flower colors to the fences.

Local Matmen Show Promise Against Hayward

Campbell High School wrestling coach George Miskulin says he has the making of a fair team of metmen after watching the showings against Hayward High School last week, one of the strongest teams in the state. Although the local groaners were defeated 24-15, they showed promise of improvement, Miskulin said, and should be in good shape for their first league contest against Fremont High School January 9th.

Miskulin was greeted at the start of the season with a 70-man turnout among which are Dick Calloway, freshman Santa Clara Valley Athletic champ last year at 154. (Calloway now tips the scales at 165). Silvester Barton, SCVAL runnerup for the past two years, and football transfers SCVAL champ lineman Dick Gleed in the heavyweight division, and football end Russ Camilleri, wrestling in the 175 pound class.

SCIENTISTS TO READ FROM THE BIBLE, TEXT

"Is the Universe, Including Man, Evolved by Atomic Force?" This question, which will be the subject of the Christian Science Lesson-Sermon in all Christian Science churches on Sunday, December 21, will be answered in the citations from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising the sermon.

One of the verses from the Forty-sixth Psalm will read:

'Be still, and know that I am God: I will be exalted among the heathern, I will be exalted in the earth."

A correlative to this verse will be the following passage from Science and Health:

"Belief in a material basis, from which may be deduced all rationality, is slowly yielding to the idea of a metaphysical basis, looking away from matter to Mind as the cause of every effect."

Local Cage Squads Whip Santa Cruz By 2-point Margins

Campbell High School cage squad takes a well-earned rest this week along with other students after all three squads nosed out Santa Cruz last Saturday on the home court.

All games were won by tw-point margins. Varsity whipped a strong opponent 43-41; Junior varsity were victorious 45-43 and the lightweight squad took their contest 39-37.

Head coach Bert Robinson says he was pleased with the team's performance in whipping the Santa Cruz netmen in view of Santa Cruz past performances. In their last six outings the seaside crew were victorious.

Robinson says it was a team victory in spite of 14 points scored by Tom Hansen, 12 for Hal Shumway, six for Ken Beth, and siv for Trent Barton.

Most of the buckets were dropped by working the ball in close by a concentrated passing and dribbling attack with all hands participating. Score by periods was 13-1; 21-18; 31-34; 43-41.

Nex varsity workout isc January 2, when they take on the Campbell Alumni at 7:30 p. m. here.

Only other game before the squad meets league competition is with San Jose Tuesday afternoon, January 6th.

First league game is with Live Oak, Friday, January 9th.

BRITISH FOG DELAYS ARRIVAL OF CAMPBELLITE

The fog in London has an indirect bearing on the lives of two Campbell residents.

Because of the London weather, Mrs. Robert Myles, the former Patricia Downing, daughter of Mr. and Mrs. H. A. Olson, 133 North Winchester St., arrived in Campbell from Louisiana six days late.

Weather caused a postponement of her husband's routine training flight to the English capital from his Barsdale, Louisiana Army air base.

Mrs. Myles will wait out her husband's three month mission at the home of her parents in Campbell

THE WORLD AT A GLANCE

by Edward Clayton

KEEP IT GOOD—As another year gets readyto slide off the calendar, the economic picture in California shows no tendency to become less attractive than it has been for some lears. Total civilian employment, just under five million, is six per cent higher than year ago. Bank deposits and bank loans in California are up approximately 10 percent, and population, now estimated as well past the 11½ million mark, is believed to be increasing at about 1,000 per day. All these factors weigh in favor of continueld good conditions. There is a tendency on the part of some people, however, to look for a decline in economic activity during 1953. Taking note of this, the economics department of the Bank of America recently made this observation: "The nation has expended its plants to the point where mass markets must be maintained if these plants are to be kept at work. This cannot be accomplished if the business community remains recession or depression minded. The goal must now be one of concentrating all efforts on finding new ways to consume the products produced, and thus, to raise the living standards." Vigorous advertising and sales methods were urged as the best tools for this purpose. What the economic future holds for us, then, would appear to depend much on our actions and attitude. And it behooves us to make these constructive.

THAT BIG VOTE. That record-smashing turnout of 61½ million voters on November 4, is most encouraging since it was nearly 12 million more than the highest previous total which was set in 1940. But, at that, it was only 63 per cent of the potential voting population. The final figures showed that although more than 62 million people went to the polls, the blank and voided ballots reduced the official total to 61, 547,861. Of these, 33,927,549 went to Eisenhower and 27,311,316 to Stevenson. Minor parties could muster only 308,996. Thus the general got 6, 175,952 more votes than were ever before cast for a presidential candidate (27,751,597 for Roosevelt in 1936) and his opponent almost equalled the previous high. As to the turnout of voters, California recorded an 86.85 percentage of those registered. This topped the previous high of 86.13 per cent. Eisenhower drew 2,897,310 of California's 5,209,692 votes with Stevenson getting 2,197,548. But it was Senator Knowland who took top honors with 3,982,448—the largest vote ever given a candidate in California for any office. Yes, November 4 was quite a day.

JUSTICE—TWO KINDS. If you're looking for opposite extremes on the two sides of the iron curtain you could hardly find a better example than in the system and the speed of justice. The 11 former top Communists of Czechoslavia who were "tried" in Prague recently didn't have to wait lond for the wheels of "justice" to turn. In fact, the wheels whirled and it was but a few days from the courtroom to the courtyard where eight of them were hanged. Now, contrast this with the American brand of justice as it concerns the convicted atom spies Julius and Ethel Rosenberg. Their trial, like most in the American courts, was not brief. Finally they were found guilty of treason in March 1951, nearly two years ago, and sentenced to death. But that was not the end, but just the beginning of a further series of legal maneuvers to save them from the electric chair. Now, having been given every benefit of the doubt, every opportunity to challenge the court's verdict and almost two years to do it in, they will die in January unless reprieved by the White House. Our system is slow—exasperatingly slow at times—but the preservation of our form of government does not require us to trump up charges against anyone nor rush them to the executioner.

VICTORY PAYS. Winning football games has its good "points". Take the Michigan State team, for example. They're the national champions — and the boxoffice shows it. In the season just closed they brought $420,000 worth of customers through the gates.. It cost $155,000 to maintain the team —equipment, coaches' salaries, travel expense and so on. (What! No players' salaries?) That left a profit on football for the season of a neat, sweet $164,000. That's enough to make other college graduate managers and pro club owners drool copiously: To the winner goes the spoils, and it's sure nice to get spoiled to the tune of $264,000.

Congregationals Present Full Xmas Pageant

Christmas program at the Congregational Church last Sunday consisted of a well-arranged program of carols and recitations participated in by members of the congregation.

Evening ceremonies opened with the junior girls choir precession followed by an opening prayer by Dr. Corwin H. Olds, pastor.

Patsy Baughman, age 6, read a four page welcoming speech followed by Jerry Hyde, Michail Cailino and Gordon Seligson in costume who sang "Three Kings".

A Christmas story recitation was read by June Morton, David Worden, Judy Harris, James Stoner, Keith Nelson, Carol Gipe, Kathy Storey followed by the primary group which included the above who sang "Away in the Manger."

Linda Edgmon recited a monologue entitled "She Wanted to Write".

Rickey James, Richard High, Mark Hadley, Stephen Atkinson, Ken Lippert, Roger Allen, Lary Elizondo, Lauren Raab, Robert Marlatt, Darrell Dearborn, Richard Lamber and Terry Tomlinson presented an acrostic and sang, "Oh Little Town of Bethlehem."

Next on the program was a carol, "Hark the Herald Angels Sing", by the entire congregation.

Robert Thompson read "The Story of Christmas" while a cast of Maureen Edgmon, Carol Nielson as Joseph; Gerald Cook, John Diehl, David Dearborn, Raymond Morton, Bruce Brown, as shepherds, Coreena Marshman, Jennie Van Rossem, Ellen Roberts, Nancy Nevins, Linda Edsinger, and Sue Robinson as angels enacted the story in pantomime.

Dorothy Diehl then recited "Sing the News" followed by the entire congregation singing "Joy to the World."

After Karen Doolittle recited "Silent Night, Holy Night" the congregation sang "Silent Night."

"Christmas Blessing" followed as a recitation by Jane Edgmon.

The primary department of the church offered a group song rendition of "Jingle Bells", followed by a recital by Francis Atkinson, "Santa is Coming".

The busy program came to a close with Santa Claus appearing in person to hand presents to the assembled boys and girls which consisted of candy filled Christmas stockings.

Program was ushered by Dick Van Rossem, Paul Cooper, John Stevens, Warren Weitzen, George Loback, Cathy Hyde, Sandy Stewart, and Aldene Stoner.

Those in charge of the program were Mrs. Lucille Edgmon and Mrs. Critchlow who made arrangements for the primary department presentations, and John Worden and Robert Thompson for the intermediate department.

Lorraine Wood furnished organ music for the program. Costumes were in charge of Catherine Hyde, assisted by Vera Diehl and Betty Morton and Elizabeth Atkinson.

Property was in charge of Harry Smith.

SCOTT TILDEN, San Anselmo landscape artist—"There should be a better way of starting the day than getting up."

HUMPHREY BOGART, Hollywood actor—"Men are born free and equal. However, most of them marry."

OLD TIME AUTOMOBILES ARE FAR CRY FROM TODAY'S STREAMLINE MODELS

Yesterday's automobile was a far cry from the modern machine marvel which is seen on today's highways and in the dealer's show rooms. With the automobile show period upon California, National Automobile Club recalls the cars of yesterday many of which are not too well remembered. Nameplates were things of real beauty and a collector of them would have something of value as well as intricate art. Indeed, yesteryear, the National Automobile Club's own radiator emblem for members was an expensive multi-colored baked enamel and lacquer design which was wired to the radiator core or cap. With modern design, this type was abandoned almost two decades ago by National Automobile Club.

The Dagmar had twenty-five animal figures and other intricate patterns worked in five colors; the exquisite wild goose design of the Wills-St. Claire; the clever "hat-in-the-ring" of the Rickenbacker; the chaste and lovely cameo of the Diana, and the golden bronze basrelief of Sir Galahad that embraced the Yellow Knight.

Some speculation is voiced as to which American used the first nameplate attached to the radiator. The Leach Grizzy Bear, Apperson Jack Rabbit and the Duryea Triangle all have good claims to priority.

Many readers will recognize names which will revive memories of the days when motor cars were still horseless carriages. Newspapers then discused the Grand Prix, Elgin Road Race, Sheldon Patents, Vanderbilt Cup, Glidden Tour. Famous names like Winton and Oldfield claimed columns of space.

At the Columbian Exposition in Chicago in 1893, four or five horseless carriages were shown. Since then more than one thousand American cars have come into existence but less than thirty remain on the market today. The Horseless Carriage Club perpetuates some of these cars of yesteryear. A few of the popular make of days gone by included: Kisel, Haynes, Westcott, Stutz, Lexington, Halladay, Cole, National, Moon, Rollin, Velie Chalmers, Maxwell, Marquette, pathfinder, Fremont, Chandler, Case, Elcar, Jordan, Bobbs, Clark, Winton, Comet, Leach, Paterson, Stevens Duryea, Stearns, Colby, Davis, Rapid, Grant, Anderson, Premier, Locomobile, LaSalle, De Vaux, Star—too many to list. In their day, however, each was considered an outstanding car and the owner was proud to possess any of the listed makes.

J.C. XMAS PARTY LURES 400 KIDS

Campbell theatre was the scene of a gay Christmas party Monday afternoon for the children of Campbell. The party, sponsored by the Campbell Junior Chamber of Commerce, was complete with Santa Claus distributing ice cream and candy to the noisy throng of small fry who gained admission by donating a can of foodstuffs to be later distributed by the J. C.'s to the needy families of Campbell.

The youngsters sat in rapt attention to the screen presentation of "The Lemondrop Kid" with Bob Hpe and three cartoons "Popeye in Spinach versus Hamburger", "Base Brawl", and the "Land of the Lost".

After the show, Santa Claus was introduced on the stage and offered additional presents to the little guests as they left the theatre.

Jaycees report the affair a complete success with 348 cans of goods donated. Audience was estimated at 400 children.

Campbell Tot Runs Into Auto

Four-an-a-half-year-old Raymond Einberger, of 731 Fewtrell Drive won't need any future reminder to "Watch where you're going" from his parents Mr. and Mrs. Einberger.

He received minor cuts and abrasions from not doing just that last week.

Apparently the toddler was running in one direction while looking in another last Saturday afternoon at 1:30 for he ran into the moving auto of Allen P. Walker, of 356 North Central Ave. who was driving down Fewtrell Drive.

The youngster was taken to a San Jose Hospital for treatment by his parents.

LOCAL STUDENT HOME FOR VISIT,

Steve Voykovich made a flying trip to the home of his parents, Mr. and Mrs. Steven Voykovich, 409 Chapman Drive, from Fordham University last Saturday morning, for a short Christmas visit between speaking dates with various colleges and Universities in the State.

Voykovich who finishes his senior year in January will remain in California for about a month to confer with representative student governments at University of Southern California, Los Angeles City College, Santa Barbara, Fresno, Stanford U., San Jose State, Santa Clara, and University of San Francisco, as part of his duties as national vice-president of the National Student Association.

Between speaking dates, Voykovich finds time to continue his studies in Political Science and Philosophy to complete work for his degree in June.

At the completion of his college work, Voykovich says he is undecided whether he will take advantage of a scholarship to Harvard graduate business school or enroll at Stanford University for graduate work for a law degree in incorporation and tax laws.

The 22-year old student says he plans eventually to enter some business firm.

Voykovich graduated from Bellarmine High School in 1948 and entered Fordham University the following year on a regional scholarship.

TEN WILL DIE PATROL PREDICTS THIS CHRISTMAS

The California Highway Patrol predicted today that at least 10 persons would die in traffic accidents throughout the state from 6 p. m. Christmas Eve to midnight Christmas night.

Another 300 victims of holiday traffic in California would see the day after Christmas dawn from a hospital bed, officials said.

Last year 8 persons were killed and 231 were injured in that same 30-hour period in rural accidents alone.

"Christmas is traditionally a time of year when we have warm, friend-ly feelings toward our fellowmen," officials reminded motorists and added

"There is no better place to display that feeling than on the highway. A sense of responsibility for your own safety, a softening of the '.me first" attitude and a realizatin that traffic laws protect and not hinder will go a long way toward making a Christmas for you and your family a more joyous occasion."

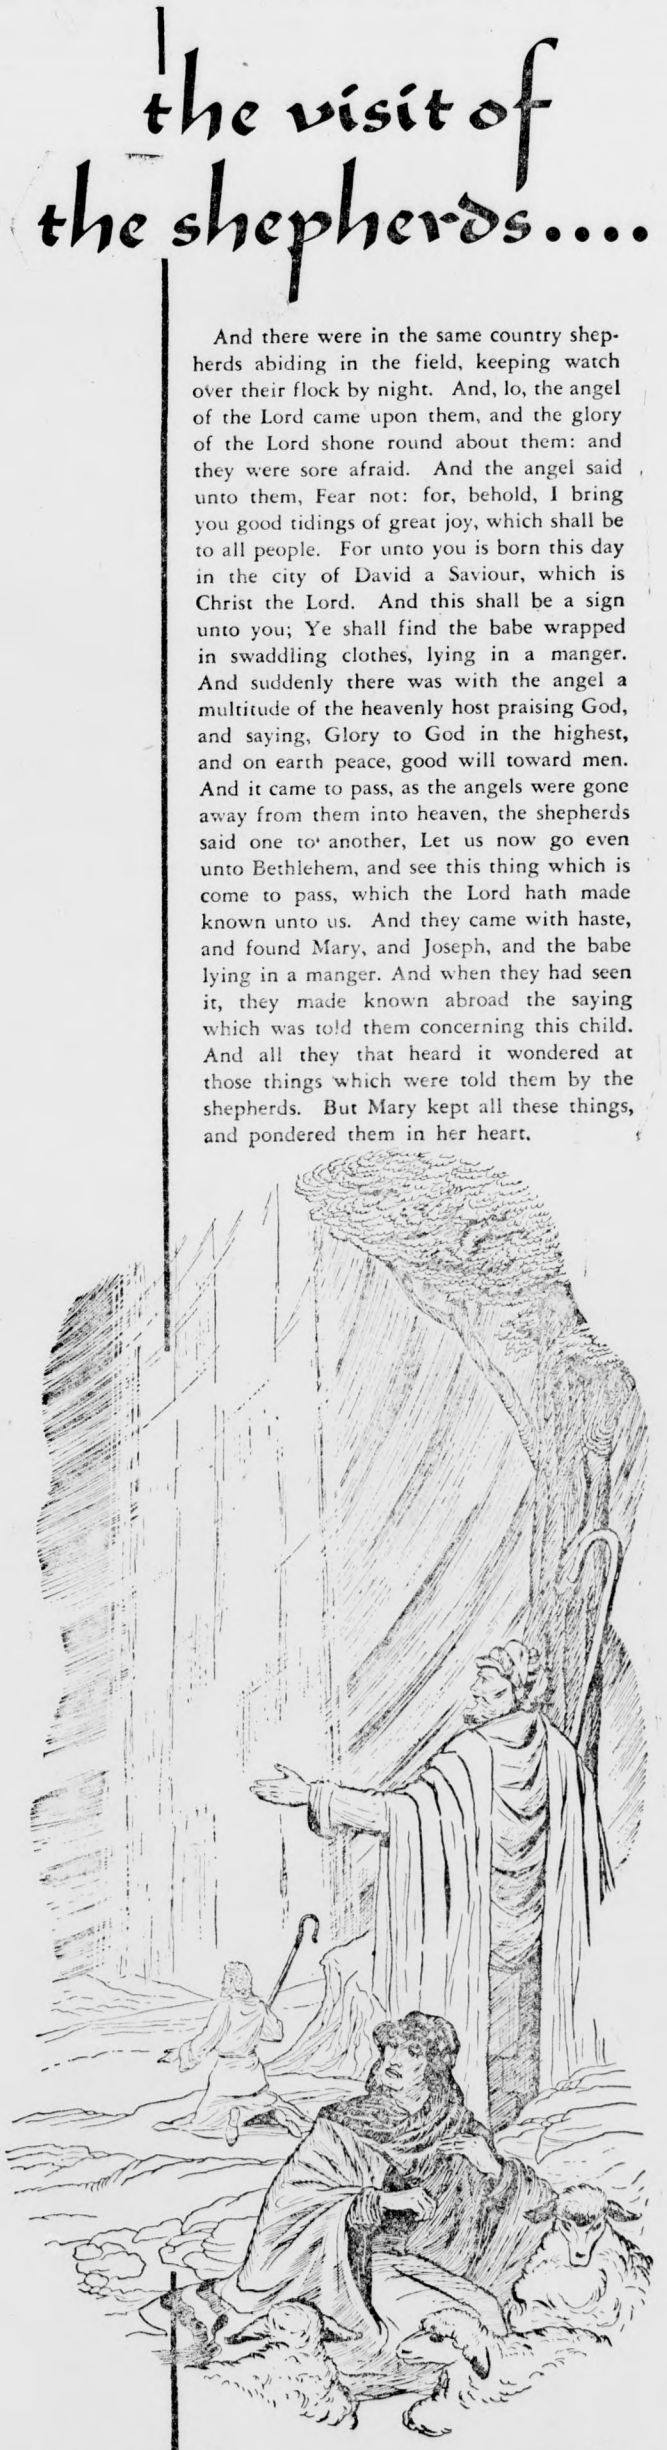
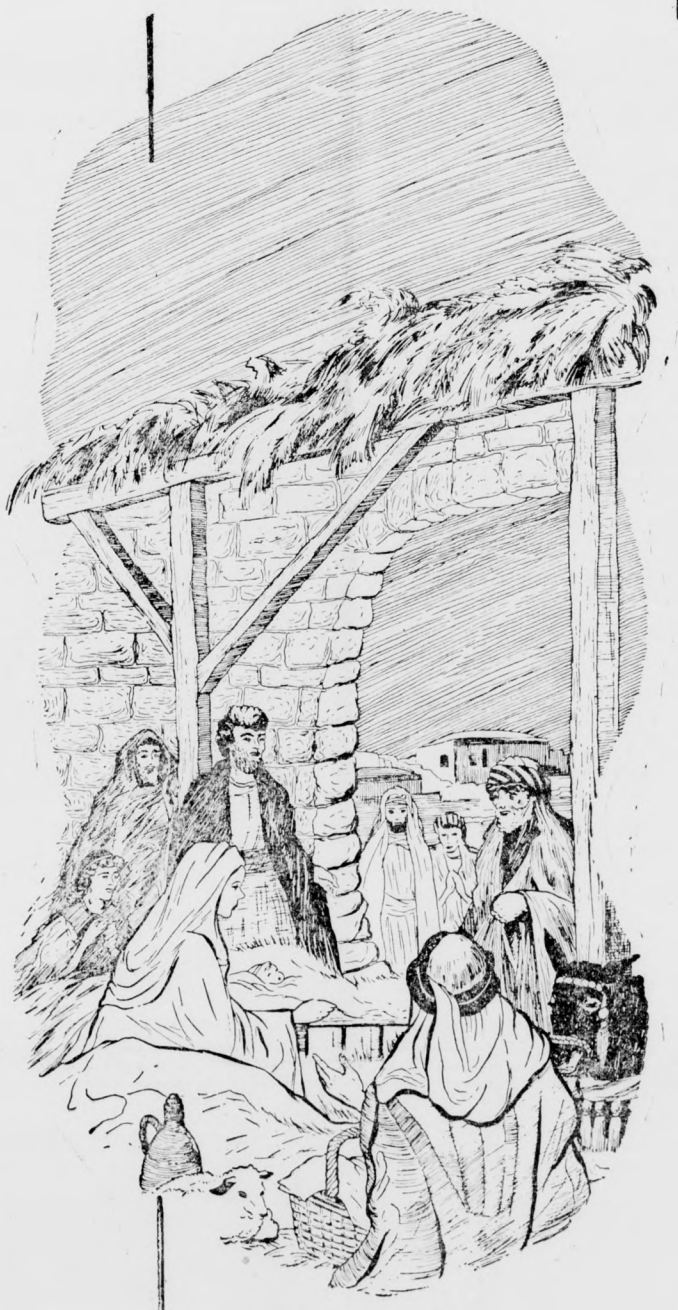
the visit of the shepherds....

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men. And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us. And they came with haste, and found Mary, and Joseph, and the babe lying in a manger. And when they had seen it, they made known abroad the saying which was told them concerning this child. And all they that heard it wondered at those things which were told them by the shepherds. But Mary kept all these things, and pondered them in her heart.





the birth of Jesus.....

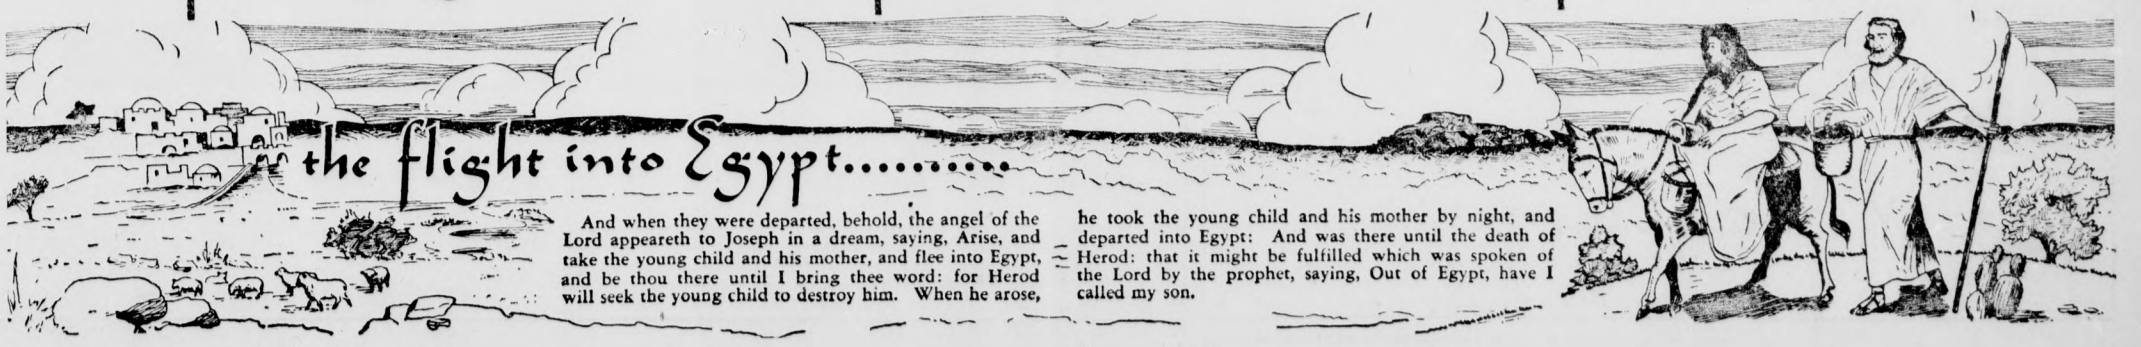
And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed. (And this taxing was first made when Cyrenius was governor of Syria.) And all went to be taxed, every one into his own city. And Joseph also went up from Galilee, out of the city of Nazareth, into Judaea, unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David:) to be taxed with Mary his espoused wife, being great with child. And so it was, that, while they were there, the days were accomplished that she should be delivered. And she brought forth her first-born son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

the visit of the wise men...

Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him. When Herod the king had heard these things, he was troubled, and all Jerusalem with him. And when he had gathered all the chief priests and scribes of the people together, he demanded of them where Christ should be born. And they said unto him, In Bethlehem of Judaea: for thus it is written by the prophet, And thou Bethlehem, in the land of Juda, art not the least among the princes of Juda: for out of thee shall come a Governor, that shall rule my people Israel. Then Herod, when he had privily called the wise men, enquired of them diligently what time the star appeared. And he sent them to Bethlehem, and said, Go and search diligently for the young child; and when ye have found him, bring me word again, that I may come and worship him also. When they had heard the king, they departed and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was.

And when they were come into the house, they saw the young child with Mary his mother, and fell down, and worshipped him: and when they had opened their treasures, they presented unto him gifts; gold, and frankincense, and myrrh.

the flight into Egypt.....



And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, Arise, and take the young child and his mother, and flee into Egypt, and be thou there until I bring thee word: for Herod will seek the young child to destroy him. When he arose, he took the young child and his mother by night, and departed into Egypt: And was there until the death of Herod: that it might be fulfilled which was spoken of the Lord by the prophet, saying, Out of Egypt, have I called my son.

IS THERE A SANTA CLAUS?

This Christmas time as has become the pleasant tradition of this newspaper, the publishers again present for their readers a story of Christmas. Though written only 55 years ago, it has taken its deserved place among the wealth of long told tales of this season.

Herewith, then, our Christmas story, for 1952:

An Editorial by Francis P. Church

(Reprinted from the New York Sun, Sept. 21, 1897)

"We take pleasure in answering at once and thus prominently the communication below, expressing at the same time our great gratification that its faithful author is numbered among the friends of The Sun:

"Dear Editor — I am 8 years old.
"Some of my little friends say there
is no Santa Claus.
"Papa says, If you see it in THE SUN, it's so.'
"Please tell me the truth,
is there a Santa Claus?"
Virginia O'Hanlon.
115 West 95th St., New York City.

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours, man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virginia there, is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! How dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies! You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus. The most real things in the world are those that neither the children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders that there are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes a noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the supernal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

No Santa Claus! Thank God he lives, and he lives forever. A thousand years from now, Virginia, nay, ten times ten thousand years from now, he will continue to make glad the heart of childhood.

CAMPBELL HI-LITES

By Bob Olson

If you're free some Tuesday morning around 9 AM, come view one of our assembly programs. Recently we heard a sensational piano-organ duo from the California School for the Blind which had the auditorium rocking with everything from Brahms to Be Bop. Their Arkansas travesty was the since Alec Eempleton (incidentally you'll hear more later about a possible Campbell appearance of this musical genius).

If you think high school juniors can't write poetry just give them a chance. We did just before Thanksgiving and carried a three inch high pile of what they called "easy verses" home with us over the short holiday. We're still ploughing through it but this conbest thing many of us have heard tribution by Alberta Anders is the most interesting we've so far run across:

WE SHOULD

When the evening dew is falling
And the flower bows it head
Then we know the world is smiling
And are thankful for our bread.

When the evening breeze is humming
And the trees shake down their leaves
When the sky is growing darker
All our trouble it relieves.
It's when time is passing slowly
That we really start to think
Of all our many blessings
That aren't written down in ink

Blessings gladly given
Without a though of pay
Are handed down from heaven
And accepted day by day.

When the evening dew is falling
And the birds' sweet song is stressed
Then its time to give thanks
For the night's eternal rest.

"Lady, would you believe it? Even the price on prices has gone up!"

American Business Behind The Scenes

Good news for taxpayers: It looks very much as if the next move in federal income tax rates, both personal and corporate, would be downward. Rep. Daniel A. Reed, next chairman of the House Ways and Means Committee, promises to introduce a tax reduction bill on the first day of the new Congress. He wants to cut back personal tax rates eleven percent in two bites, half on June30, 1953, the rest a year later.

Also, the so-called excess profits tax on corporations is scheduled to expire on June 30 1953, and spokesmen for industries suffering from heavy excise taxes—imposed at the same time as EPT—want to make sure their burdens are lifted at the same time. There is little sentiment for renewing EPT, and its demise will give a push to cutting the other levies. It won't do to grant savings to big taxpayers and not to smaller ones.

Moreover, high taxes were one of the issues in the recent campaign. Democrats looking forward to the 1954 elections will not want to label themselves again the party of high taxes. Some Republican and conservative Democratic voices have been raised in favor of deferring tax reductions until promised budget cuts begin to show their effect, but this view is not likely to prevail.

HOT PROBLEM — With 239 television stations broadcasting and 900 applications pending for new ones, electronics, the science which made television possible, has a hot new problem—too much heat in the studios.

B. C. Benson, of a heat regulator company, says projected new studios must be designed properly to dissipate the energy-sapping heat of bright lights and performers packed into small quarters. TV studios must have 100 fot-candles of light per square foot of area, and each person throws off a minimum of 400 BTU an hour.

Electronic temperature controls, the kind that anticipate changes in cooling requirements, have the problem in hand, says Mr. Benson.

THINGS TO COME—Retailers can buy Christmas candy with two wrappings — one to shuck off December 26, leaving the inside one to sell the left over stock without the benefit of holiday spirit. Twelve-denier nylon—the sheerest now made is 15 denier—may appear in women's stockings next year ... The householder who changes his own fuses may soon be able to buy a plastic fuse-gripper to avoid shocks ... Gas and electric appliances will soon appear with safety knobs which the children can't turn on ... A cash register has been developed which doubles as an adding machine when its recording device is thrown out of gear, and its maker is working on one which will record punch-card data on a tape for inventory control, etc.

CHAMPIONS ALL — Winston Churchill, Saul Steinberg, Norman Rockwell and other famous artists painted the Christmas cards now being sent by business and professional men from a well known greeting card company's "For Men of Business" album.

This album, one of nine offered this year by the company, represents a special effort to bring businessmen, industrial and professional leaders into quality stores throughout the nation for their Christmas greetings. Stressing the theme of quality, they chose famous artists to provide the originality (with dignity) they felt was required for the type of buyer the album was intended to attract.

Selections were appropriate for men of every business or profession

FADING CONTROLS — Wage and price controls will not long survive, once the Eisenhower Administration takes office. The Joint Congressional Committee on Defence Production said recently that the controls had achieved their purpose of halting inflation.

Industry members of the Wage Stabilization Board met last week in New Qork to suggest burying their segment of control. Tighe Woods, head of the Office of Price Stabilization, has resigned, with Mike DiSalle, former OPS chief, called back as a caretaker. The CIO convention offered its solution: Abandon wage controls, keep price and rent ceilings.

Steel controls—except for those on plate, heavy structural shapes and some bars—won't be needed after the second quarter of 1953, says the Defense Production Agency. Men's clothing is decontrolled, because no one is getting ceiling prices anyway.

In brief, production has done the job, so control prepares to take a bow and disappear in the wings.

BITS O' BUSINESS — Eighty million dollers' worth of equipment has been ordered to supply electric power to the Atomic Energy Commission's new Ohio plant ... The mortgaged steak has become a reality. A Pittsburgh bank and a food dealer are cooperating with appliance sellers to keep food freezers filled on a time-payment in the Tennessess Valley and the basis ... Water-power shortages Northwest have cut aluminum production to 40 million pounds a month ... Retailers are going all-out for Christmas promotions to bring sales back up to 1951 levels.
